

SQUARE THE CIRCLE

N² (squared) Consulting works with ambitious and highly motivated organisations to provide them with the structure, process and skills required to change, improve and grow.

Achieve your goals **aim for the improbable** - square the circle.

N² (squared) Consulting

PRIVATE SECTOR Major UK IT Supplier

N2 (squared) Consulting were engaged by one of the most significant IT service suppliers involved in the NHS National Programme for IT, often cited as 'the largest civilian IT project in world'.

Our services have involved supporting the delivery of a number of significant IT releases by our client, a global IT services provider. N2 (squared) Consulting provided programme management expertise to shape and guide

the delivery of significant system enhancements, including end-to-end delivery management and aspects such as customer engagement, risk & issue management, planning and control, and change control. N2 (squared) Consulting also provided a period of interim management, running the Programme Management Office for this significant engagement, as well as provide lead support on a number of successful business development opportunities."
