PRIVATE SECTOR Speaker's Academy (Nottingham)

The Speaker's Academy is a speaking and communications consultancy with ambitious growth plans and unique services. We worked closely with them to define their business strategy for operating in the corporate markets.

This work involved dealing with key people to:

- Define the service provision;
- Identify key markets; and
- Identify operational requirements
- Develop an action plan to deliver the strategy

This resulted in the provision of a robust plan of action, including goals, activities and timescales, for implementing the strategy.
